

Logistics Officer Association Guidance National Scholarship Program (G-3)

1. Scholarship Program Intent: The Logistics Officer Association (LOA) Scholarship Program is designed to promote education for junior enlisted, officers and civilians of the Armed Forces in the logistics and acquisition career fields. The program will award and recognize applicants based on two distinct categories:

CAT 1 Chapter Nomination. Applicants to be nominated for scholarship awards based on their duty performance, academic excellence, and potential as a future logistician professional via a single page nomination by their LOA Chapter.

CAT 2 Article Submission. Applicants may submit for consideration an original article for the Exceptional Release (ER) or LOA website that addresses a relevant logistics topic.

2. Program Management: The overall responsibility for the management of this program rests with the National LOA Vice President (VP). The VP will appoint a Scholarship Committee of at least five active LOA members who will evaluate the nominations in both categories.

3. Number/Size of Scholarships Each Year: The number and size of scholarships awarded each year is contingent on the amount of funds available as determined by the elected members of the LOA Executive Board. The number and size of scholarships may vary each year but will generally be distributed in the following manner:

CAT 1 Chapter Nomination: Up to six (6) \$1,000 winners. Categories are: Junior Enlisted, Junior Officer, and Civilian

CAT 2 Article Submission: 1st: \$2,000; 2nd: \$1,000; 3rd: \$500

The CFO will report to the National LOA Board the status of scholarship funds received, expenses, and monies on hand no later than 15 April of each year.

4. Scholarship Winner Announcement: The LOA VP will announce scholarship winners annually each September via email, Facebook and the LOA website.

5. Scholarship Presentations: The LOA VP will ensure certificates and scholarship checks are provided to the winners. Scholarship prize winners will be recognized on the LOA website and may be featured in the ER magazine. The local Chapter President and Senior Logistics Officer on each base will be invited to present the award and submit photos to the LOA National Board.

MEMORANDUM FOR LOA NATIONAL VICE PRESIDENT

FROM: 716 AMXS/CC

SUBJECT: 2019 LOA National Scholarship

1. I take great pride in nominating TSgt Francisco Smith from the Sonoran Chapter for the 2019 LOA National Scholarship. He has demonstrated outstanding professionalism and dedication to duty, and will serve well at the national level.
2. I have reviewed TSgt Smith's academic records to validate active involvement in a degree plan, and that the chosen degree would benefit the logistics or any STEM professions. A records check was also conducted on 2 June 2019 and revealed no information that would bring discredit to the award or the United States Air Force.
